Mrs. Lou Hodges,
New Smyrna, Fla.

My Dear Mrs. Hodges:

I have had some correspondence with Mrs. Floyd McRae, of Atlanta, in reference to the history of the Collier family. I am enclosing copy of a letter which I wrote her last week. She, in turn, suggested that I also write you as you knew a good deal in connection with this matter.

I will be very glad to have any information that you can give me in reference to your branch of the Collier family.

I understand that your branch was descended from Meridith and Merrill Collier, their Father being John Collier, he having married a lady by the name of Meridith. If you can state just who John Collier's Father was, or any further dates in reference to this matter, I think that I can connect up your branch with our branch back to England, as I have traced back as far as 1500, through Georgia to Virginia to England.

I will be very glad to give you a copy of the information which we have gathered as soon as I have completed the genealogy record.

Thanking you, I am,

Yours sincerely
